Job details

The Genesis Project is a residential group home for abused boys in DHS custody, ages 6-12. Genesis provides a stable environment where children learn to be children. The goal of the Genesis Project is to prepare each child for a long-term family placement. Treatment is individualized in order to address specific needs unique to each child. Positive behaviors are reinforced to build self-esteem and encourage a sense of accomplishment.

The Genesis Project utilizes evidence-based trauma-informed treatments and therapies and training methods. We follow the six guiding principles to a trauma-informed approach including safety, trustworthiness and transparency; peer support, collaboration and mutuality; empowerment and choice; and cultural, historical and gender issues.

Genesis pays 100% employee medical insurance beginning the first day of the month after 60 days. Genesis also offers life, dental and vision plans. Paid time off (PTO) accrues starting day one for the equivalent of 16 days per year, or 128 hours. Complimentary meals are provided while on duty.
